

**JUNE 2024**

# SUMMER FUND DRIVE

This year has quickly flown by for everyone, including Masonic Children & Family Services of Texas. We work hard to meet the high demand for assistance from Texas families in need.

Families continue to struggle with the high cost of food, rising summer utility rates, and rent. Imagine what it must feel like to know that your check will only cover food for your kids or utilities to keep the lights on. This is the dilemma that many of our clients face and frequently the very reason they reach out to us.

Food becomes especially important to families in the summertime because during the school year, qualified children can receive free lunches. Oftentimes, when the summer break arrives, those same children may go without a midday meal. Each client we serve has their own story, and each application is given the care and attention needed to make sure we are helping the family as best we can.

The programs we offer provide life changing help to those who need it most. This year, like many others, our Child and Family program has received hundreds of applications from desperate parents who are seeking help. The numbers continue to rise.

As summer approaches, we ask you today to make a gift that will not only provide basic needs, but also bring a warm sense of pride in knowing that your donation made an incredible difference to someone in need.

## We are asking you to JOIN US in kicking off our Summer Fund Drive.

### Here's how your gifts can help:

- A **\$500 DONATION** supports a family with rental assistance, and helps avoid homelessness.
- A **\$250 DONATION** can provide help with medical/dental procedures, dental anesthesia, or even therapies for a child whose family has no insurance or no means to pay for it.
- A **\$100 DONATION** can pay a utility bill for a family who is financially struggling.
- A **\$25 DONATION** can put food on the table for families with children.

The support we receive from you, our donors, is what fuels our passion to keep working hard to help as many children as we can.

Every dollar is put to good use, and every donation earns immeasurable gratitude from families and those who support them. Whether a first-time donor or a longtime supporter, please know that every gift is life-changing for a child in need. You, and **YOUR DONATION**, can make an impact today that will resonate far into the future.

Sincerely,
